**Work Experience:***Lab Monitor*

Art Institute of Portland  
Portland, OR

2003-2005

Duties include checking the computer labs, supervising it, filling up printer and plotter paper, replace ink cartridges, and help fellow students with some technical or software problems.

*Animation Production Team – “Sweet Escape”* 2005

“Sweet Escape” is 60 sec short film that I’ve worked on with three other people. I was the lead artist of the team and was in charge with the whole production flow and the distribution of tasks. Specific tasks that I was personally in charge of were rigging, animating, and rendering.

**Hobbies**

- Computers – Internet
- Video Games – RPG’s, MMORPG, Strategy, Platformers
- Sculpting – character sculpture with Super Sculpey
- Movie making – acting, directing, camera work
